GW

The Department has reviewed the status of your pump test and any requests for extension(s) or exemption(s) for the following permitted well(s). The results are summarized in the table below:

Application	Water Right	Permitted Well	Pumped Well	Test Date	Request Status	Exemption	Well Name
G 12433	Permit: G 11339 *	LAKE0004099	LAKE0004099		REJECTED	Unreas Burden	

The exemption was rejected for the following reason(s):

- o Prior to receiving a certificate of water right, the permit holder shall submit the results of a pump test meeting the department's standards, to the Water Resources Department.

The following pump test related materials can be found on our web site at:

- Pump test administrative rules: <https://secure.sos.state.or.us/oard/displayDivisionRules.action?selectedDivision=3186>
- A booklet explaining pump tests: https://www.oregon.gov/owrd/WRDFormsPDF/pump_test.pdf
- Pump test data forms: https://www.oregon.gov/owrd/WRDFormsPDF/pump_test_coverF.pdf
- Multiple well exemption request: <https://www.oregon.gov/owrd/WRDFormsPDF/pumptestexemptionform.pdf>
- Unreas. burden exemption request: <https://www.oregon.gov/owrd/WRDFormsPDF/pumptestexemptionunreasburden.pdf>

Without an approved pump test, the Department may not be able to process the Claim of Beneficial Use submitted for this permit. The person or persons conducting the test need to be thoroughly familiar with all the test requirements, which are described in the Water Resources Department's administrative rules OAR 690-217.

Approved pump test letters will be digitally posted to the water right in WRIS; all other pump test letters will be mailed to permit holder.

Please contact me if you have any questions.

Sincerely,

Darrick Boschmann
