Reference: Application G-16159, Permit G-15697

The assignment by proof from Bernard E. and Jean M. Damon, Trustees of the Damon Joint Trust to Damon Ranch, c/o John Damon has been recorded in the records of the Water Resources Department.

The Departments records will now show Damon Ranch, c/o John Damon as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 142965 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

A Pump Test Unreasonable Burden Exemption Request Form was received by the Department on May 23, 2024, and is currently pending review.

Sincerely,

Mary F. Bjork
