Mr. Charles R. Frayer  
Summerville  
Oregon

Dear Mr. Frayer:

Your application to change the point of diversion for irrigation of 9.5 acres is not complete, so I am returning it to you for completion.

I believe the right you refer to is described in certificate 6569, and, if this is correct, it should be shown in item #10 of the application. The "Affidavit of Applicant" must also be completed.

The change is for more than one-fourth of a mile, so notice of the proposal must be published in a newspaper having general circulation in Union County. This will require a deposit of \$30. Would you please specify the newspaper when you submit this fee.

Enclosed is our receipt No. 320, covering the fees of \$15 you submitted.

Very truly yours,

CHRIS L. TUNNEY  
State Engineer
