Reference: Application G-16988, Permit G-16482

The assignment from Northwest Farm Credit Services, FLCA, and Kenneth A. Brownell and Robin E. Brownell to Kenneth A. Brownell and Robin E. Brownell has been recorded in the records of the Water Resources Department.

The Departments records will now show Kenneth A. Brownell and Robin E. Brownell as the permit holders of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 143041 covering the recording fee is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit required complete application of water to the proposed use by October 1, 2014, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). A Claim of Beneficial Use was received by the Department on November 24, 2020, and is currently pending review.

Sincerely,

Mary F. Bjork
Water Rights Program Analyst
