Dear Sir:

Your letter of the 17th inst., received. I return herewith for correction, as provided by law, your application No. 1036. The correction in this case will consist in a more complete answer to question 9. This question should be answered by giving the number of irrigable acres in each 40 acre tract. I also return herewith a map filed with this application and you should note in each 40 acre tract on the map the number of acres to be irrigated which, of course, should conform with the figures given in the application. The fees on this application are an examination fee of \$3.00 and a filing and recording fee on 120 acres of \$16.00. You have paid \$9.00 which leaves a balance due of ~~\$7.00~~ ^{\$10.00} which should be remitted at the time this application is returned by you. In order to retain its original date of priority this application corrected, must be received in this office on or before January 23, 1911.

Very respectfully,

State Engineer.
