Dear Mr. Hayden:

We are returning your registration statement and check in the amount of \$5. We are prohibited by the Statutes from filing any registration statement without the necessary fees. The minimum fee for filing a registration statement is \$15. This includes a \$10 examination fee and a \$5 recording fee.

Several items on the registration form will also have to be completed. Item 2(a) should show the location of your well with respect to a section corner, or corner of a Donation Land Claim. Item 4 should show the quantity of water that you are claiming.

The map on the last page of the statement is incorrect as shown. The shaded area would be the east half of the SW $\frac{1}{4}$ NE $\frac{1}{4}$ of Section 25 if the scale on the map was changed to $\frac{1}{4}$ inches to 1 mile and the entire map was of Section 25. As shown, the map includes four sections, and the shaded area includes 80 acres. The well should also be shown on the map.

The registration statement should be completed and filed with the necessary fees prior to August 1, 1958.

Very truly yours,

LEWIS A. STANLEY
State Engineer
