Mr. Harold Bartsch  
Route 2, Box 77C  
Pendleton, Oregon

Dear Mr. Bartsch:

Mr. F. L. Ingram advises that he sold his place on McKay Creek to you. As you may recall, there were several applications for changes in point of diversion and one for a change in place of use of water, two of which involved lands now owned by you. A review of our files indicates that these changes have been completed, and certificate of water right should be issued.

Upon receipt of \$1.00, fee for having the certificate recorded in the Umatilla County records, a new certificate will be issued confirming the change of place of use of water from McKay Creek.

Very truly yours,

LEWIS A. STANLEY  
State Engineer
