Re: Transfer No. W-61

Dear Mr. Warren:

Having had no response to our letter of June 2nd we must assume that you are no longer interested in your proposed change in point of diversion of water and we are therefore enclosing our check No. 6061 in the amount of \$25. This check represents the \$20 deposit made for publication of notice and the \$5 filing fee which you paid. The \$10 examination fee is required by law to be deposited in the general fund and cannot be returned.

Very truly yours,

LEWIS A. STANLEY  
State Engineer
