Reference: Application S-85750, Permit S-54095

The assignment by proof from Frank and Gwenn Iott to Gwenn Iott has been recorded in the records of the Water Resources Department.

The Departments records will now show Gwenn Iott as the permit holder of record.

Our records have been changed accordingly and the original requests are enclosed. Receipt number 144154 covering the recording fees is also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Please note that Claims of Beneficial Use were received by the Department on November 8, 2024, and are currently pending review.

Sincerely,

Mary F. Bjork
Water Rights Program Analyst
