Reference: Application G-16499, Permit G-18862

The partial assignments from Sandelie Golf Club Inc. to Westlake Development Group LLC, and from Sandelie Golf Club Inc. to Jeff Dickson have been recorded in the records of the Water Resources Department.

The Departments records will now show Westlake Development Group LLC, Jeff Dickson, and Sandelie Golf Club Inc. as the permit holders of record.

Our records have been changed accordingly and the original requests are enclosed. Receipt numbers 144198 and 144199 covering the recording fees are also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit requires complete application of water to the proposed use by October 1, 2032, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE).

Sincerely,

Mary F. Bjork
