RE: Surface Water Registration Parcel 2800, Township 28, Range 14,  
Section 16, Code Area 54.03

For John B. Parks  
Rt 2 Box 1115  
Bandon, Oregon 97411

The hillside spring designated in the map of tax lot #9533.02 has been the domestic water source since at least 1898 as verified by Mildred Morris (Anderson), born in this dwelling, affidavit attached.

The water source has been in continuous use since 1898, as this house was owned by Anderson family survivors until it was purchased by John Parks in 1975. There has been no period of time when the spring was not in use as a domestic water source.

Water rights should remain a deeded and integral part of this tax lot as it has historically.
