Dear Mr. Christensen:

REFERENCE File: 60335

During our telephone conversation of July 18, 1988, you stated that no use had been made of the spring for domestic purposes by October 1, 1983, as required under the terms of your Permit 45266. This permit is therefore, no longer valid.

Enclosed, as we discussed is a form for your use in authorizing the cancellation of this permit. The cancellation would clear it from our records, and avoid the necessity for further notices or correspondence.

Since you are now ready to begin construction of the house on the property, I am enclosing the necessary forms and information for obtaining a new permit, as you requested.

Sincerely,

Steven P. Applegate
