Counice,

I knew that we had this spring survey
for water rights. Helen Hill kept all the old
Deeds to the Home Stead and mineral rights. She
Walter & Helen wanted to make sure that all
those houses would have water. Please
let me know what I should do. They
also want to document the right to water
with the old Home stead place.

Walter Hill Surface Water Registration. SWR 82

Dear Mr. Whitaker:

The Water Resources Department received your request regarding water rights to the above referenced property.

Walter Edward Hill filed a Surface Water Registration Statement Pre-1909 Vested Water Claim dated July 31, 1992 for Domestic use of an Unnamed Spring, tributary to Bergsvick Creek, Necanicum, Pacific Ocean. The map that accompanied the Registration Statement, (drawn by Paul Christensen, CWRE) shows the place of use to be one home and a cabin.

The cabin and home highlighted in yellow on the enclosed map are associated with the Surface Water Registration. I have highlighted in green the home that is not part of the registration and therefore to the best of our knowledge has no Water Rights. It is possible they could be using a well for Domestic purposes and irrigating less than one-half acre and not need Water Rights.

I recommend that you do an Ownership Update Form, so that we may have a current contact name and address.

I am enclosing copies of the Surface Water Registration Statement and accompanying map.

If I can be of further assistance, please do not hesitate to contact me. My direct phone number is 503-986-0803.

Sincerely,

Connie Vance
