Dear Sir:

On March 1, 1968, we mailed you a copy of a proof of the certificate in connection with the incomplete water right represented by your permit number G-2248 granting a right to the use of 0.11 cubic foot per second from the waters of two wells for irrigation, together with the instructions that the statement at the bottom of the page be signed and the copy be returned to this office accompanied by the certificate recording fee in the amount of \$1.00.

To date this form has not been received nor has any correspondence regarding reasons for not returning it been received. This is to notify you that unless we receive the signed proof form and the certificate recording fee, or a request for additional time within thirty days from the date of this letter, we will be required to take steps toward the cancelation of this permit.

Dear Mr. Marker:

Enclosed is the final proof in connection with the incomplete water right represented by your permit No. G-2248.

The data contained in the proof, which is based on an inspection and survey of your project made by a representative of this department, defines the extent to which your water right has been completed within the terms of your permit. The proof should be dated and signed by you and returned to this office.

Upon receipt of the proof, properly executed and accompanied by the statutory recording fee of \$1, a certificate of water right will be issued confirming the right thereunder and, after being recorded in the county records, will be forwarded to you.

Very truly yours,
