RE: Surface Water Registration Statement

Dear Mr. Powers,

This will acknowledge that your Surface Water Registration Statements in the name of Powers Ranch Co have been received by our office. The fees in the amount of \$ 800.00 have been received and our receipt # 94923 is enclosed. Your registration statements hve been numbered SWR-112,113 and 114.

Our office will review your forms and maps in the near future. If necessary we will schedule a meeting with you that will include a site inspection. If there are problems with your forms we are usually able to take care of them during our visit. We will be able to answer any questions you might have about the adjudication process at that time.

Please feel free to contact this office if you have any questions.

Sincerely,

Don Knauer
Adjudication Specialist

AFFIDAVIT

STATE OF CALIFORNIA)
)ss.
County of Kings)

I, Juanita Hayes Bartlett, being first duly sworn upon oath depose and say:

That I was born December 30, 1897 at Rolland Prairie near Gaylord, Coos County, Oregon, and lived in the vicinity for a number of years thereafter.

That prior to 1909 I observed predecessors in interest of the current Powers Ranch Co. property near Powers, Oregon using domestic, irrigation and livestock water from the South Fork of the Coquille River and its tributary creeks. The Powers Ranch Co. property I am speaking of could be more accurately described as the William McDonald Land Claim immediately West and adjacent to the town of Powers, Oregon in Section 13, Township 31 South, Range 12 West of the Willamette Meridian.

Domestic and irrigation water was carried from the creeks and livestock was watered directly from the creeks and river at this early time.

This affidavit is made and executed as a statement of facts within my personal knowledge in support of an application for perfection of water rights.
