RE: File# **SWR-146**

DEAR JAMES F. GOSSON,

The Water Resources Department (WRD) received a little over 500 surface water registration statements in December, 1992. All of the files have been set up and receipts for the fees have been sent. The next step is to insure the maps received in support of the claims are acceptable based on Oregon Revised Statutes (ORS) and Oregon Administrative Rules (OAR).

I am returning the map you prepared for Stanley E. Short, for Mary E. Short Trust, et al. You will find the item which requires completion or correction shown below. I have the description followed by the ORS or OAR site and paraphrased statute or rule.

✓ place of use (1/4 1/4)

ORS 539.240 (2) (d) (B) "The location of place of use by quarter-quarter section..." I need the place of use on the map or data sheet by 1/4 1/4 or government lot.

✓ 1/10 acre

OAR 690-28-025-(4)-(d) "The number of acres irrigated in each quarter quarter shall be shown to the nearest tenth of an acre." The form and sheet describe lawn and garden so the boundaries and area must be shown.

You must return the map before the claim can be processed. If you cannot have the map to the WRD within 60 days, please inform me as to when it can be expected. Please mark all correspondence with the file number.

As always, if you have any questions, please give me a call.

Sincerely,

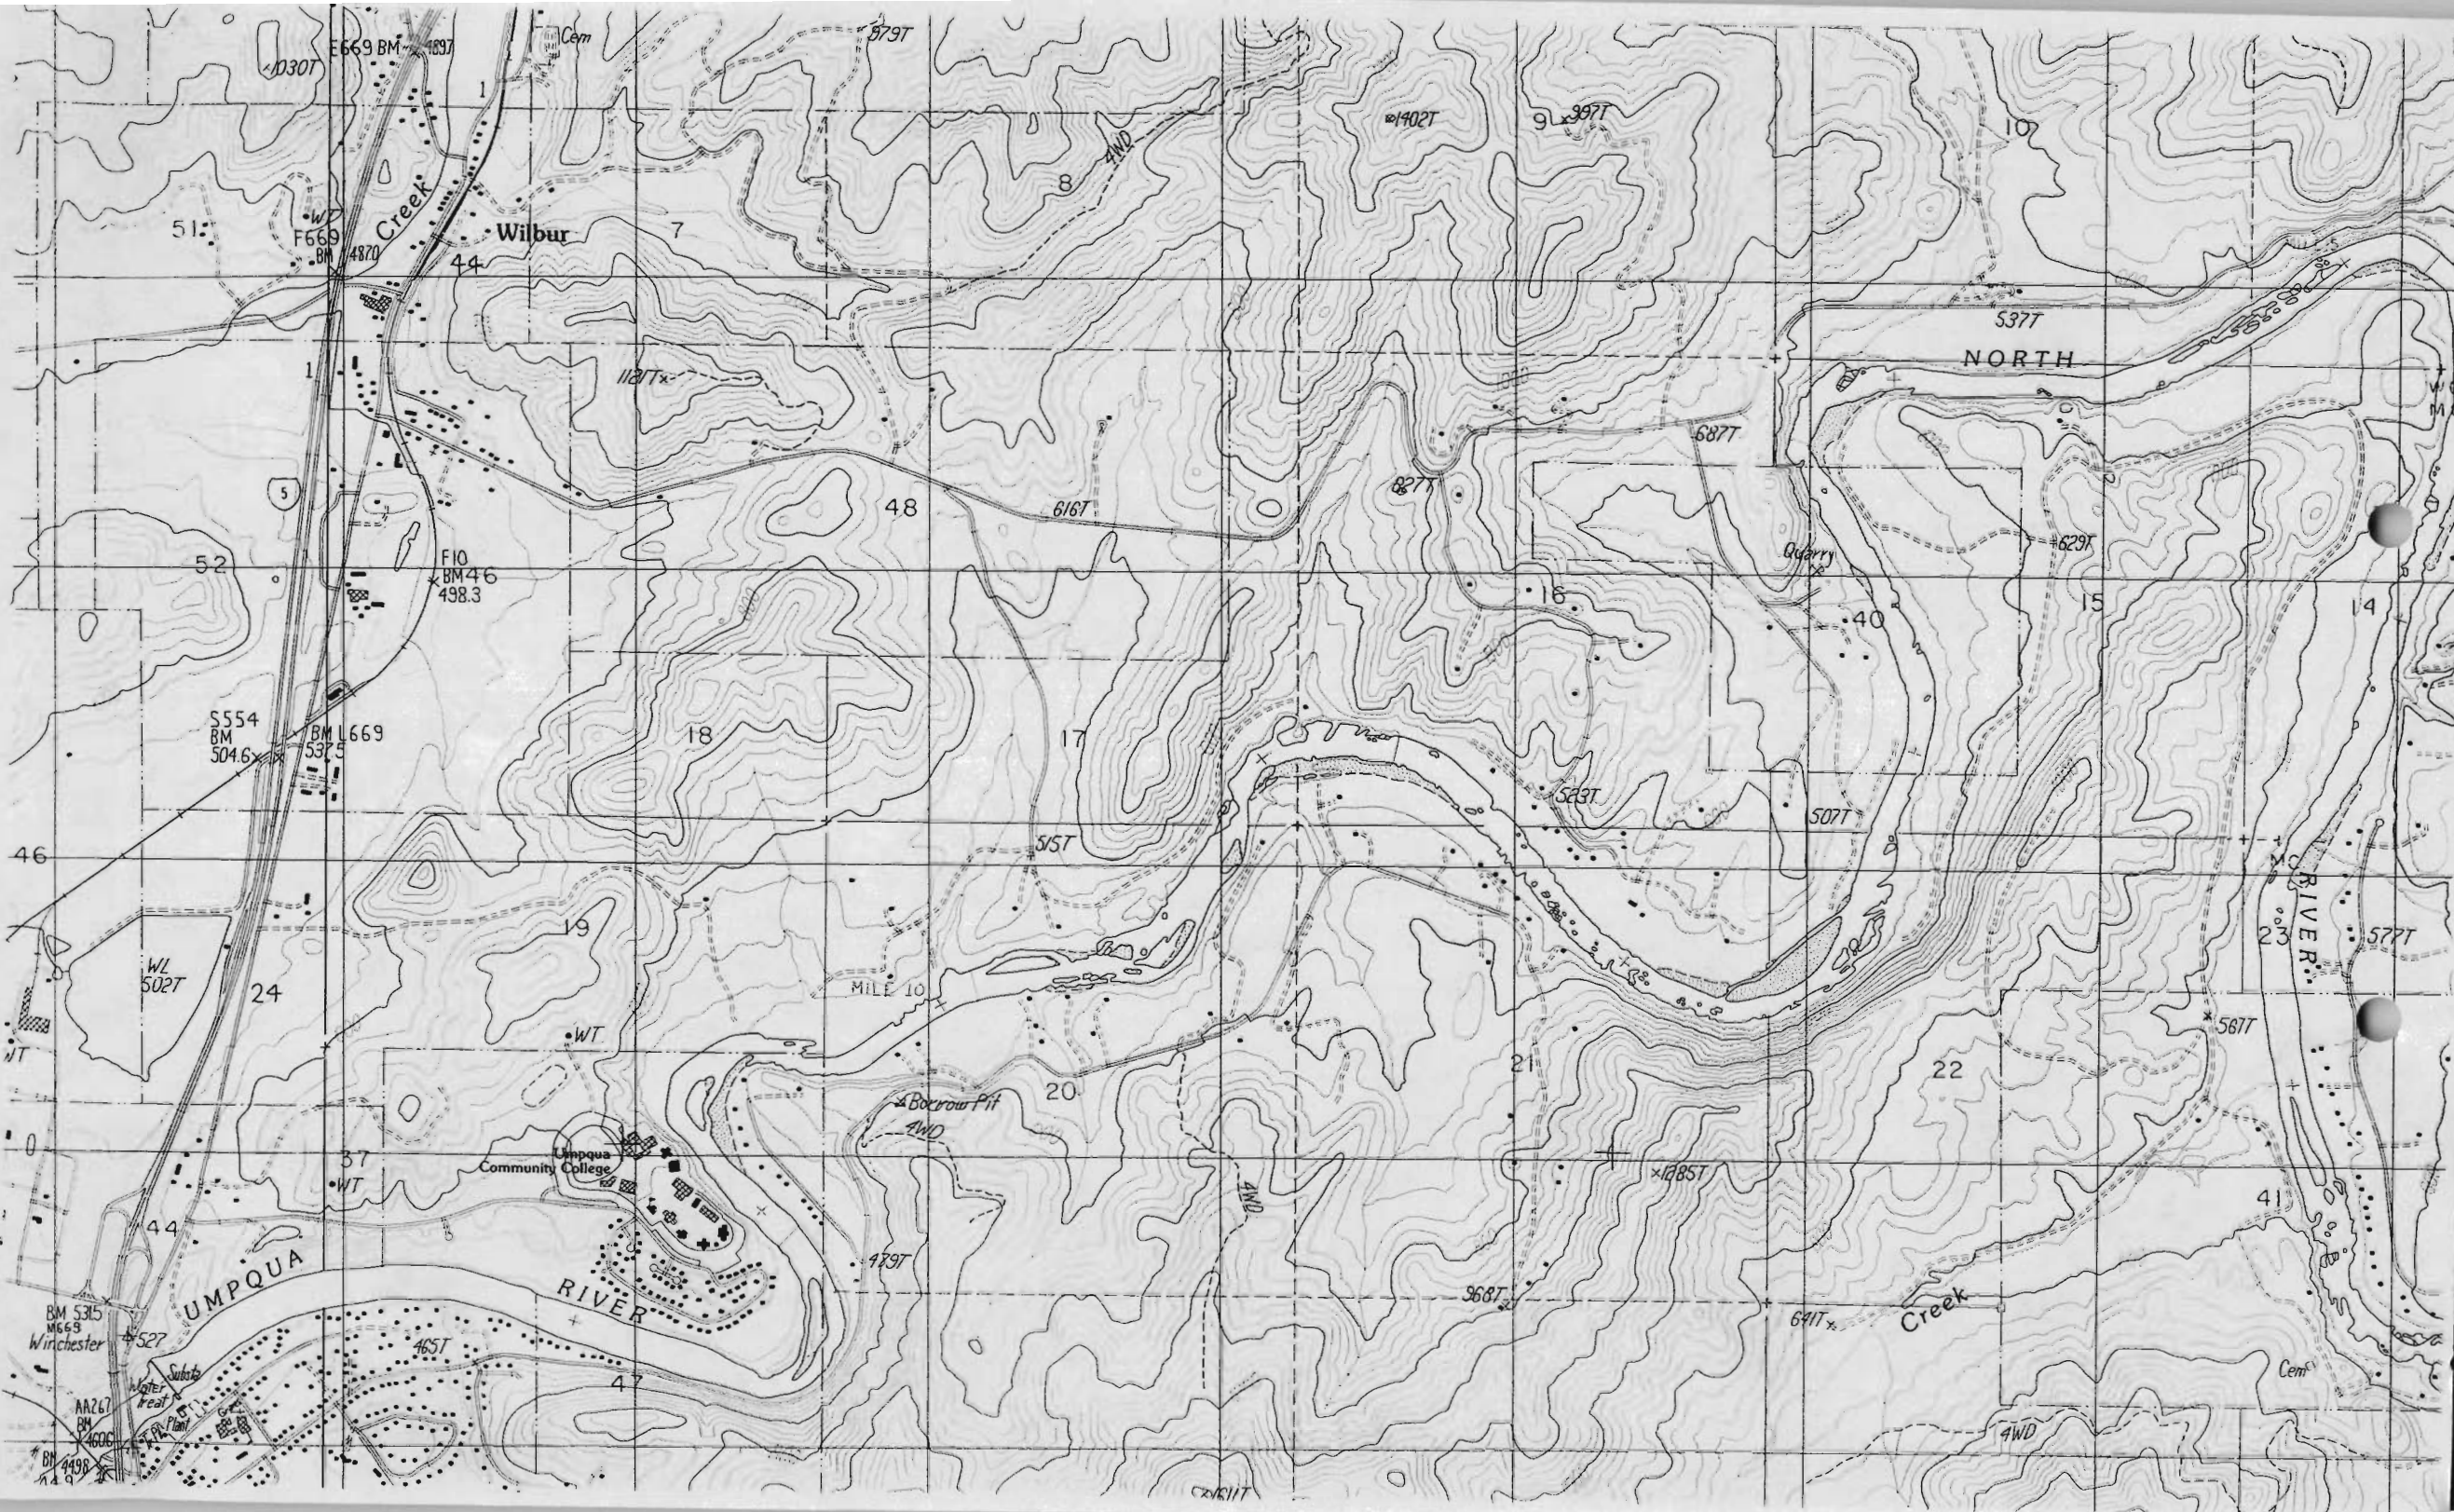

Don Knauer

Dear MR SHORT,

This will acknowledge that your Surface Water Registration Statement in the name of SHORT TRUST has been received by our office. The fees in the amount of \$400.00 have been received and our receipt #95277 is enclosed. Your registration statement has been numbered SWR-146.

Our office will review your form and map in the near future. If necessary we will schedule a meeting with you that will include a site inspection. If there are problems with your form we are usually able to take care of them during our visit. We will be able to answer any questions you might have about the adjudication process at that time.

Please feel free to contact this office if you have any questions.

Sincerely,

Don Knauer

Re: Mary E. Short Trust &

Pre-1909 Vested Water Right

Gentlemen:

I hereby state I have personal knowledge of the continuous water use on the George Washington Short (my Grandfather) and his heirs ranch located at Wilbur-North Bank Road-Douglas County, Or.

I was born in 1917 and now and have lived continuously on my Father's (George W. Short) ranch. Prior to 1917 my Father continuously lived on the ranch with my Grandfather since my Father's birth in 1892.

My Grandfather was married in 1850 and soon thereafter acquired the ranch and lived on it with my Grandmother and subsequently their five sons.

The only source of water was from the North Umpqua River and the springs on the ranch.

The ranch was eventually split into four ranches for four sons and their heirs.

Stanley Irving Short was born in 1889 and lived with his Father on the ranch until his marriage in 1916 to Mary E. Short when he obtained his split of the ranch. Mary E. Short, now 93 yrs. of age, lives on Stanley Irving Short's portion of the ranch and continues to get her domestic water, irrigation and water for her stock from the North Umpqua River and from the various springs on the ranch.

In 1980 Mary E. Short split a portion of the Stanley I, Short ranch off for her son & daughter-in-law, Stanley E. & Braunda Short, who have their home adjoining hers on the North Umpqua River in Douglas County Oregon.

I set my hand & seal this 14th day of November, 1992, and state the above is true and correct to the very best of my belief and knowledge.

Pre-1909 Vested Water Rights

Gentlemen:

I, Mary E. Short, Widow of Stanley Irving Short, daughter-in-law of George Washington Short and Father of Stanley E. Short, have knowledge of the continuous water use on the George Washington Short and heirs ranch located at Wilbur-North Bank Road-Douglas County, Or., where I still reside at the age of 93!

I moved onto the portion of the ranch which my husband, Stanley I. Short, son of George Washington Short, received from his Father, in 1916, when I was married to Stanley I. Short, now deceased. I am now 93 years of age and still live here on the ranch. My and our only source of water was and is from the North Umpqua River and the springs on the ranch. (See copy of water right (copy attached hereto).

In 1980 I split a portion of the Stanley I. Short ranch off for my Son & daughter-in-law, Stanley E. & Braunda Short, who have their home adjoining mine on the North Umpqua River, Douglas County, Oregon. Their source of water is the same as mine, my husbands, my Father-in-law, except they have finally and successfully drilled a well for household use.

Also, Alberta Short Jenkins, the daughter and heir of my late husband's Brother, George W. Short, and Granddaughter of George Washington Short, my neighbor, still has residence on the George W. Short's portion of the George Washington Short's ranch and the needs of water as did her Father & Grandfather.

I, Mary E. Short, hereby set my hand & seal this 14th day of November, 1992, and state the above is true and correct to the very best of my belief and knowledge.
