The assignments by proof from Franklin and/or Edna Hausotter Living Trust to V Lorraine Martinez have been recorded in the records of the Water Resources Department.

The Department records will now show V Lorraine Martinez as the permit holder of record.

Our records have been changed accordingly and the original requests are enclosed. Receipt numbers 144681, 144682 and 144683 covering the recording fees are also enclosed.

A permit is not a perfected water right, and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permits to be familiar with the conditions and timelines contained in the permits.

Please note that these permits require complete application of water to the proposed use by August 11, 2025, and within one year after storage of water, the permittee shall submit a claim of beneficial use to the Department. Please review the permits to be familiar with the claim of beneficial use requirement.
