Form A

Application No. U-380

NOTICE OF BEGINNING OF CONSTRUCTION

I, Rogers Canning Company, the holder of Permit No. U-355 to appropriate the public waters of the state of Oregon, began the actual construction of the works described therein on the 8th day of January, 1951.

Remarks: Drilling commenced with the employment of three men

The appropriator should state the manner of beginning construction work, number of men employed, the amount of work completed up to the date of this statement, and any additional information which may tend to show the beginning of work in good faith.

IN WITNESS WHEREOF, I have hereunto set my hand this 23rd day of March, 1951.

ROGERS CANNING COMPANY

Milton, Oregon

Signature of Applicant: [Signature]

(Address)

Fill out, detach, and mail to the State Engineer, Salem, Oregon, when construction work is begun.

FEB 8 1956 FORM 125 WELL

Form B

Application No. U-380

NOTICE OF COMPLETION OF CONSTRUCTION

I, Rogers Canning Company, the holder of Permit No. U-355 to appropriate the public waters of the state of Oregon, completed the construction of the works described therein on the 14th day of June, 1951.

Remarks: Drilling commenced with the employment of three men

If the works have less capacity than described in the permit, or you have definitely abandoned part of the proposed development, you should so state in order that our records may not be unnecessarily encumbered.

IN WITNESS WHEREOF, I have hereunto set my hand this 17th day of June, 1951.

Form C

IMPORTANT—This form is a notice to the State Engineer that permittee is ready to make final proof to the extent to which the water has actually been applied to the intended use under the terms of the permit.

NOTE: In the case of an irrigation permit, this Form C should not be mailed to the State Engineer until all of the land described in the permit, which it is intended to irrigate under this permit at any time, has actually been irrigated.

Application No. U-380

NOTICE OF COMPLETE APPLICATION OF WATER TO A BENEFICIAL USE

I, Rogers Canning Company, the holder of Permit No. U-355 to appropriate the public waters of the state of Oregon, completely applied the waters to a beneficial use in accordance with the terms of said permit, on the 14th day of June, 1951.

Remarks: Drilling commenced with the employment of three men

IN WITNESS WHEREOF, I have hereunto set my hand this 17th day of June, 1951.

SEP 19 1950  
STATE ENGINEER  
SALEM, OREGON

August 24, 1950

Rogers Canning Company  
Hilton, Oregon

Attention: Mr. Carl J. Pelo, Treasurer

Gentlemen:

This will acknowledge receipt of your letter of August 10 transmitting your application for a permit to appropriate 3.0 cubic feet of water per second from a well for use in canning, together with the statutory examination fee of \$10.00 for which our Receipt No. 10226 is enclosed.

The application has been filed and given No. U-380. It has been checked over and appears to be complete except that the location of the well should be described under Item 4 by giving its north or south and east or west distances from a recognized identified government survey corner or by a distance and bearing tie to such corner, and for your convenience in having it completed by showing such location, I am enclosing it herewith endorsed so that to retain its priority, it must be returned to this office on or before September 25, 1950. When the map is returned it should be accompanied by the tracing or a xerox made from such tracing, from which the map prints submitted were made and the balance due in recording fees in the amount of \$14.00.

Very truly yours,
