RE: SWR-195 thru SWR-209

Dear Mr & Mrs Zimmerman,

I have completed my first review of the forms and maps (prepared by CH Ketcham) in support of your pre-1909 vested water right claims. I am sending copies of the forms grouped together as I have set up files for the claims. I suggest combining the claims in this manner. This is acceptable because of similar priority dates and location of use. If you do agree to combining the claims as I have suggested, there will be a refund of some of the fees you paid. If you have any reason to keep the claims separate, please let me know as soon as possible.

Sincerely,
