Reference: Application G-16318, Permit G-15858

The assignment from Polehn Family Trust to Cathryn Polehn Oxford has been recorded in the records of the Water Resources Department.

The Departments records will now show Cathryn Polehn Oxford as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 145172 covering the recording fee is also enclosed.

A permit is not a perfected water right and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit required complete application of water to the proposed use by October 1, 2015 and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). As of this date, the claim of beneficial use has not been received by the Department.

Sincerely,
