Disclaimer: This listing is the result of a manual search of the records of the Watermaster's Plat Cards  
and the WRIS database. This listing has not been field checked. That a right is of record is no guarantee  
that it has not been abandoned under the conditions of ORS 540.610. The plat card records are listed by  
the 40.0 acre quarter-quarter within a section. If the water right listed within a quarter-quarter is on  
more than one tax lot, this office has not itemized the water rights for each tax lot - only a survey could  
accurately depict how much of the water rights are on each tax lot.
