RE: SWR-402

Dear Mr Anheluk,

I am sending a copy of the letter I sent to you on March 29, 1993. I have not heard anything from you in regards to the notarized form and required map to support your pre-1909 vested water right claim. I am in the process of reviewing the maps and will pass your file by at this time. I cannot complete my review without the notarized form and required map. You must send me a map submission date and the notarized form.

If you have any questions, please give me a call.

Sincerely,

Don Knauer

Dear MR ANHELUK,

This will acknowledge that your Surface Water Registration Statement in the name of ARNOLD A ANHELUK has been received by our office. The fees in the amount of \$60.00 have been received and our receipt #95743 is enclosed. Your registration statement has been numbered SWR-402.

The signature on your claim form does not have a notarial acknowledgement. Oregon Administrative Rule 690-28-025 (1) requires that the registration statement be notarized. For this reason we are returning the claim form so that you have your signature notarized. We have kept a copy of your form for our records. We will not process your claim until we have received your notarized registration statement. Please return it to my attention at this address.

The map you submitted with your claim is not acceptable. ORS 539.240 (2) (d) requires the map be prepared by a Certified Water Right Examiner (CWRE). Within 60 days of this letter you must send a letter to this address indicating you have contracted with a CWRE to prepare your map. You should send your letter to my attention. In your letter you must identify the name of the CWRE who will prepare your registration statement map. We will contact the CWRE to arrange a map submittal deadline.

If you have any questions regarding this process, please do not hesitate to give me a call.

Sincerely,

Dwight French
