Dear Madam:

Water right Certificate No. 15742 has been issued in confirmation of your right under Permit No. 14925 and is being forwarded to the clerk of Clackamas County today for recording in his records.

After recording it in his records he will forward it to you, and you should receive it within the next few days. In the event that the certificate is not received within a reasonable length of time, I would suggest that you take the matter up with the County Clerk.

Enclosed herewith is a blue print showing physical features figuring in the water right confirmed by the above described certificate.

Very truly yours,

CHAS. E. STRICKLIN  
State Engineer

Dear Madam:

Your final proof of appropriation of water under Permit No. **14925** has been received in this office and found acceptable. Receipt is also acknowledged of the certificate recording fee of \$1.00, for which Receipt No. **6641** is enclosed.

The matter of final confirmation of your right by issuance of a water right certificate will be given consideration with the next group which will be issued at a later date. When the certificate is issued, it will be mailed to your county clerk for recording and then delivered by him to you.

Very truly yours,

June E. Thomas  
411 S. W. Salmon  
Portland, Oregon

Dear Madam:

We are enclosing herewith for completion, final proof in connection with the incomplete water right represented by your Permit No. 14925, granting a right to the use of 0.005 cubic foot per second for irrigation.

If you agree with the figures on the proof, which are based on our survey, you should sign the proof on the second sheet at the place checked in red and return it to this office in once with the statutory fee of \$1.00 for recording certificate when issued. With the proof you should submit the legal description of the property figuring in the water right as this description appears on your deed, abstract or contract.

The figures on the proof indicate the extent and limit of your water right as provided by law, and mark the completed right.

In the interest of economy and due to the fact that your completed project was examined by a representative of this office, it is not considered necessary that your signature be made before a notary public, nor that the signatures of witnesses be affixed to the proof.

Yours very truly,

*Chas. E. Stricklin*
