Dear Mr. Bunning:

If you will sign and date the enclosed final proof on its second sheet and return the proof to this office, together with the statutory certificate recording fee of \$1.00, a certificate confirming the right under your Permit No. 13719, covering a use of 0.29 c.f.s. of water from the Willamette River for the irrigation of 23.0 acres, will be issued.

These figures indicate the extent and limit of your water right as provided by law, and mark the completed right.

With the proof you should also return the legal description of the property figuring in your water right which description may be copied from your deed, abstract or contract.

In the interest of economy and due to the fact that your completed project was examined by a representative of this office, it is not considered necessary that your signature be made before a notary public, nor that the signatures of witnesses be affixed to the proof.

Very truly yours,

CHAS. E. STRICKLIN
State Engineer
