Dear Mr. Knaue,

On Dec. 31st of 1992 I Brought to your office water Rights Registration Statements for 8 Properties in the Siletz River Drainage.

I submitted CWRE maps for 7 of the 8 statements at that time and was waiting for the 8th. Enclosed is the 8th map, which goes to the Pauline Picks, or Bell Family Property in 9 South 9 West Section 32.

When I delivered the Registration Statements, I stated that I would desire copies of any correspondence that goes out regarding these Filings. Your Advice was for me to put my Request in letter form, which I did.

As I have not Received Any Copies of Correspondence, My assumption is, none has gone out, nor has any other Action taken place. I mention this to Reaffirm my Original Request. enclosed is a copy of the letter sent Jan 4, 93 for your reference.

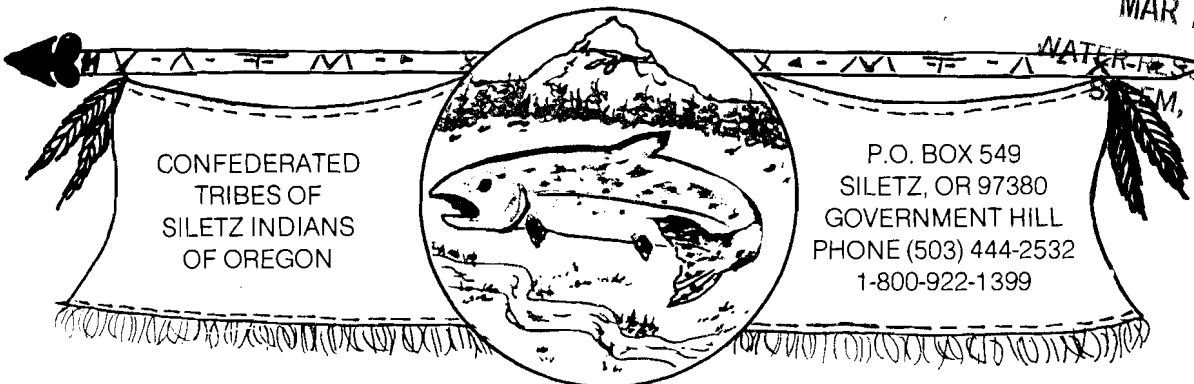

Sincerely Yours,

Robert Kutta

Dear MS RICKS,

You failed to submit enough fees with your Surface Water Registration Statement as required under ORS 539.081.

You sent \$30.00 and your receipt #95771 was written. You should have sent a total of \$200.00. The amount now due is \$170.00. Your claim will not be processed until these remaining fees are received. Your claim has been numbered SWR-420.

The map you submitted with your claim is not acceptable. I will contact your CWRE and arrange a time schedule for submitting the required map.

Please feel free to contact this office if you have any questions.

Sincerely,

Don Knauer
