SUBJECT: Surface Water Registrations

I have reviewed the materials earlier provided and find I am deficient in the following:

I realize that in some cases, WRE maps have not yet been submitted, and in those cases, take this as a request to send us a copy when a map is received. Also, the first page of the SWR will suffice for our purposes in general.

Thanks in advance for your assistance - - see you @ Eagle Ridge.

re: SWR-487

Dear Mr Weber,

I am in the process of reviewing the pre-1909 vested water right claims. I find that you have not responded to the letter sent to you on April 13, 1993. I am sending a copy of the letter. I must pass your file over at this time and until you take care of the two items, \$ 200.00 required fees and a map prepared by a Certified Water Right Examiner.

If you have any questions, please give me a call. The toll free number is 1-800-624-3199.

Sincerely,

Don Knauer

Dear MR WEBER,

You failed to submit enough fees with your Surface Water Registration Statement as required under ORS 539.081.

You sent \$230.00 and your receipt #95886 is enclosed. You should have sent a total of \$430.00. The amount now due is \$200.00. Your claim will not be processed until these remaining fees are received. Your claim has been numbered SWR-487.

The map you submitted with your claim is not acceptable. ORS 539.240 (2) (d) requires the map be prepared by a Certified Water Right Examiner (CWRE). Within 60 days of this letter you must send a letter to this address indicating you have contracted with a CWRE to prepare your map. You should send your letter to my attention. In your letter you must identify the name of the CWRE who will prepare your registration statement map. We will contact the CWRE to arrange a map submittal deadline.

Please feel free to contact this office if you have any questions.

Sincerely,

Don Knauer
Adjudication Specialist
