Harold,

I have perform some research regarding the above identified permit. As we discussed, because of the priority date of the permit, the permit holder is under no obligation to submit a Claim, the statutes allow him to wait until the Department performs the survey, if he chooses.

I have attached a copy of the application map and the A, B, and C forms that were submitted by the permit holder of record for you reference in case you end up assisting with the Claim.

Please let me know if you have any additional questions.
