The ranch known as Benson Creek, located at the head of Tenmile Lake, was homesteaded in 1876. The ranch known as Bowron's, and located up the canyon beyond the Benson ranch, was homesteaded in 1877. There was a creamery located in Lakeside in 1892. The milk from the cows on the two ranches was sent by boat down Tenmile Lake to the creamery in Lakeside.

Please use this as my affidavit that there were cattle present on the ranches prior to 1905.
