Dear Mrs. Pike.

I received your letter today and was glad to hear from you but sorry to hear that you had not found any more cattle than you have.

I saw and counted 31 head of cows and the white Bull all with your ear mark except the white Bull and he had no ear mark.

I found the white Bull and one of your white faced cows across Woodard Creek and almost opposite or probably a little down the creek from that old cabin where the small orchard is near the head of Woodard Creek and with ^{him} was a white faced Bull about a (2 two) year old with no ear mark and Mr. Shepard ^{said} the white faced Bull belonged to him. He was with me when I found them they were back about $\frac{1}{4}$ or maybe $\frac{1}{2}$ mile from the creek we did not find any other Bulls.

I feel sure from all signs that there are more cattle in the Woodard Creek country at that time that we did not find but of course I can't be sure.

I know it is hard to find cattle in a place
like that at this time of the year but all we can
do is to try or best we can

RE: File# SWR-525

DEAR BOYD W. PETERSON,

The Water Resources Department (WRD) received a little over 600 surface water registration statements in December, 1992. All of the files have been set up and receipts for the fees have been sent. The next step is to insure the maps received in support of the claims are acceptable based on Oregon Revised Statutes (ORS) and Oregon Administrative Rules (OAR).

I am returning a copy of the map you prepared for Sharon Watson Flood, et al, Holl, Flood, Graham, Lee, 5 Ring's. You will find the item which requires completion or correction shown below. I have the description followed by the ORS or OAR site and paraphrased statute or rule.

paper

OAR 690-14-170-1 "...in ink on permanent-quality linen or 0.003-inch mylar..."

You must return the map before the claim can be processed. If you cannot have the map to the WRD within 60 days, please inform me as to when it can be expected. Please mark all correspondence with the file number.

As always, if you have any questions, please give me a call.

Sincerely,

Don Knauer
