RE: SWR-551

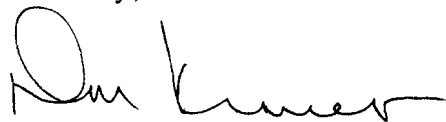

Dear Ms Sullivan,

I am in the process of reviewing the maps submitted in support of pre-1909 vested water right claims. There may have been some misunderstanding about the required map during the last few months before the December 31, 1992 deadline. As the deadline approached, it was apparent the Water Right Examiners (WRE) would not be able to survey and prepare the required map and site report. We allowed claimants to submit most any kind of map to meet the deadline. We tried to insure claimants understood that the survey, map and site report would be required as soon as the WRE had time to make the field survey and complete the map and report.

The reason I am writing today is about your map. The map submitted does not meet the statutory requirements. I need to know when I might receive the required map from you. I cannot complete my review of your claim without the required map.

If you have any questions, please give me a call. The toll free number is 1-800-624-3199.

Sincerely,

Don Knauer

Dear PAULINE SULLIVAN,

This will acknowledge that your Surface Water Registration Statement in the name of PAULINE SULLIVAN has been received by our office. The fees in the amount of \$660 have been received and our receipt #96023 is enclosed. Your registration statement has been numbered SWR-551.

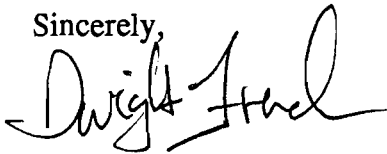

You have noted that there may be an overpayment in the amount of \$200.00. We will wait until after we have reviewed your map to determine whether or not a refund is warranted. If indeed there has been an overpayment, a check will be issued in the appropriate amount to "Law Office Trust."

The map you submitted with your claim is not acceptable. ORS 539.240 (2) (d) requires the map be prepared by a Certified Water Right Examiner (CWRE). Within 60 days of this letter you must send a letter to this address indicating you have contracted with a CWRE to prepare your map. You should send your letter to my attention. In your letter you must identify the name of the CWRE who will prepare your registration statement map. We will contact the CWRE to arrange a map submittal deadline.

We will not be able to process your claim until we have received your map. If you have any questions regarding this process, please do not hesitate to give me a call.

Please feel free to contact this office if you have any questions.
