Re: Tadlock Water Rights Claim/SWR-552 Hazel Tadlock Trust Water Rights Applications/R-70725 and R-70726 Our File No. 04298

Dear Mr. Knauer:

By letters dated July 13, 1994 and August 22, 1994, addressed to the Oregon Water Resources Department I indicated that this firm represented the applicant with regard to SWR-552 and Claudia Kelly Tadlock, attorney in fact, for Charles W. King, Trustee of the Hazel Tadlock Trust, with regard to Applications R-70725 and R-70726.

This is to advise you that this firm no longer represents any of the applicants or their representatives with regard to any of the matters above. All further contact and correspondence concerning this matter should be sent directly to the applicants or their representatives.

Our letter dated July 13, 1994 (to the attention of Tom Shook) advised the Department that the mailing address for the Tadlock Trust in those matters (R-70725 and R-70726) was: Tadlock Trust, PO Box 1244, Bandon, OR 97411. The latest address in our files for the applicant in SWR-552 is also P.O. Box 1244, Bandon, OR 97411. Please note, however, that we are not in a position to verify the current accuracy of these addresses. You should check your files to see whether the applicants or their representatives have provided you with a more current address since the dates of our correspondence of July 13, 1994 and August 22, 1994.

Very truly yours,

CHURCHILL, LEONARD, BROWN, LINCOLN, LODINE & HENDRIE

SUBJECT: CWRE maps for SWR's

Don, with reference to our conversation of  $\emptyset7-27-93$ , regarding CWRE maps, I have put together the following list of the SWR's for our district that do not have a CWRE map, therefore as the maps come in Dwight or yourself can forward a copy to our office.

The maps for **SWR #113 and #114** were the only ones that I could find that were too large for the copier. If you could send me the mylar copies it would be greatly appreciated.

Your assistance is greatly appreciated, and again I would like to thank you and all the Salem staff that made my visit most productive.

Re: Tadlock Water Rights Claim/SWR-552 Our File No. 04298

Dear Mr. Knauer:

This firm represents the applicant with regard to the vested water rights claim above. This will confirm our telephone conversation of last week during which we discussed two letters, dated April 23, 1993 and December 30, 1993, previously sent by you to Mr. Tadlock.

Copies of those letters were obtained pursuant to my request to the Department for information on the status of the Tadlock application. It is not clear that they were ever received by Mr. Tadlock. In any event, this will confirm that you have taken no action on this matter subsequent to those letters, and that no action is contemplated by the Department in the near future. I requested that no action be taken without notification to this office, and advised you that the applicant is in the process of arranging for a Water Rights Examiner to prepare the survey, map and site report.

Thank you for your cooperation in this matter.

Very truly yours,
