RE: SWR-581

Dear Sir,

I am sending a copy of the letter sent to you on May 3, 1993. I have not heard anything from you in regards to the required map to support your pre-1909 vested water right claim. I am in the process of reviewing the maps and will pass your file by at this time. I cannot complete my review without the required map. You must send me a map submission date.

If you have any questions, please give me a call.

Sincerely,

Don Knauer

PO BOX 193
LANGLOIS OR 97450

Dear MS HILDEBRAND,

This will acknowledge that your Surface Water Registration Statement in the name of COTTON CREEK RANCH C/O JOAN HILDEBRAND has been received by our office. The fees in the amount of \$200.00 have been received and our receipt #95991 is enclosed. Your registration statement has been numbered SWR-581.

The map you submitted with your claim is not acceptable. ORS 539.240 (2) (d) requires the map be prepared by a Certified Water Right Examiner (CWRE). Within 60 days of this letter you must send a letter to this address indicating you have contracted with a CWRE to prepare your map. You should send your letter to my attention. In your letter you must identify the name of the CWRE who will prepare your registration statement map. We will contact the CWRE to arrange a map submittal deadline.

Besides the name "Joan" it appears as though there is another name that should be on the claim. So that there are no misunderstandings with respect to the correct name on the claim, I request that you inform me of the proper name of the registrant. To illustrate my position I have included a copy of the front page of your claim.

We will not be able to process your claim until we have received your map. If you have any questions regarding this process, please do not hesitate to give me a call. You may call toll free: 1 (800) 624-3199.

Please feel free to contact this office if you have any questions.

Sincerely,

Dwight French

SUBJECT: CWRE maps for SWR's

DATE: 08-20-93

WATER RESOURCES DEF
SALEM, OREGON

Don, with reference to our conversation of 07-27-93, regarding CWRE maps, I have put together the following list of the SWR's for our district that do not have a CWRE map, therefore as the maps come in Dwight or yourself can forward a copy to our office.

The maps for SWR #113 and #114 were the only ones that I could find that were too large for the copier. If you could send me the mylar copies it would be greatly appreciated.
