Dear Sir:

Your letter of May 4th was answered by my letter of June 24th advising that Mr. Harvey Wilcox of Stuntzner Engineering was acting as my CWRE. To my knowledge, Mr. Wilcox at Strutzner Engineering has not received instructions from you regarding a submittal deadline.

The required map has been completed and I await your instructions. Please advise me of how to proceed.

Very truly yours

Dear Sir:

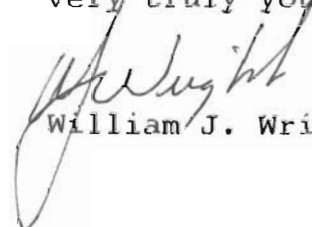

With reference to your letter of May 4, 1993, I wish to inform you that the required map will be prepared by:

STUNTZNER ENGINEERING & FORESTRY
750 So. 4th St.
Coos Bay, OR 97420
Phone 267 2872

Mr. Harvey Wilcox P.E., P.L.S., W.R.E. will be the professional doing the work.

Your requirements are financially burdensome, particularly for the small property owner during these hard times. The choice of having to pay out many hundreds of dollars for professional services or risk having our property devalued is a very painful one. Please be as lenient as you can be with the small property owners or Oregon will loose more of her ability to produce livestock and the supermarket prices of our foods will continue to accelerate.

Very truly yours

William J. Wright
