RE: SWR-572

Dear Mr Foster,

I am sending a copy of the letter I sent to you on April 28, 1993. I have not heard anything from you in regards to the required map to support your pre-1909 vested water right claim. I am in the process of reviewing the maps and will pass your file by at this time. I cannot complete my review without the required map. You must send me a map submission date.

If you have any questions, please give me a call. The toll free number is 1-800-624-3199.

Sincerely,

Don Knauer

RT 1 BOX 3615  
COQUILLE OR 97423

Dear MR FOSTER,

This will acknowledge that your Surface Water Registration Statement in the name of FAT ELK DRAINAGE DISTRICT has been received by our office. The fees in the amount of \$2845.00 have been received and our receipt #96026 is enclosed. Your registration statement has been numbered SWR-572.

The map you submitted with your claim is not acceptable. ORS 539.240 (2) (d) requires the map be prepared by a Certified Water Right Examiner (CWRE). Within 60 days of this letter you must send a letter to this address indicating you have contracted with a CWRE to prepare your map. You should send your letter to my attention. In your letter you must identify the name of the CWRE who will prepare your registration statement map. We will contact the CWRE to arrange a map submittal deadline.

We will not be able to process your claim until we have received your map. If you have any questions regarding this process, please do not hesitate to give me a call.

Please feel free to contact this office if you have any questions.

Sincerely,

Don Knauer  
Adjudication Specialist

IV.

That prior to the filing of said Petition and on the 23d day of May, 1907, the County Court for Coos County, Oregon, duly made and caused to be entered of record an order approving said Petition, which said order of approval is in words and figures as follows:

In the Matter of the Petition for a  
Drainage District in Fat Elk Basin, in  
Coos County, Oregon.

The above entitled matter coming on to be heard and it appearing to the court that all the lands included in said proposed drainage district are susceptible of one mode of drainage; that said district contains thirty-eight separate tracts, and that each tract contains the number of acres as stated in said petition.

That more than one-half the owners representing more than one-third the area of lands in said district have signed said petition.

That said petition is duly verified by A. J. Sherwood, one of said petitioners.

That said petition has been published four weeks in a newspaper published in Coos County, Oregon, the county in which said lands are situated.

That all the statements made in said petition are correct, and that no land is improperly included or excepted from said district.

It is therefore ordered that said petition be and the same is hereby approved; that said approval be noted upon said petition, that John F. Hall, county judge for Coos county Oregon, is hereby ordered to sign said approval, and James Watson, county clerk for Coos county Oregon, is hereby ordered to attest the same.
