Memorandum

January 17, 2002

To: File T-6833

From: 
Greg Nelson, Field Services Division
378-8455, extension 285

Subject: Proof to the Satisfaction of the Director

The claim of beneficial use filed by Mike Taylor (Dale Van Schoiak, CWRE), Double M Ranch, provided evidence of satisfactory proof that use of water was made to the full extent under the terms and conditions of the Special Order approving T-6833. Given this, a finding (statement) of proof to the satisfaction of the Director may be included in any subsequent order modifying the portion of the water right.
