

Form C (690-9-77)

IMPORTANT—This form is a notice to the Water Resources Director that permittee is ready to make **final proof** to the extent to which the water has actually been applied to the intended use under the terms of the permit. Permittee is cautioned that Certificate of Water Right will be issued based on the extent of the quantity and use as determined by the **final proof** inspection and survey which will be made in response to the filing of this Form C.

NOTE: In the case of an irrigation permit, this Form C should not be mailed to the Water Resources Department until all of the land described in the permit, which it is intended to irrigate under this permit at any time, has actually been irrigated.

Fill out, detach and mail to the Water Resources Department, Salem, OR 97310, when all of the water has been applied.

Dear Mr. & Mrs. Hodgson:

Your application for a permit to use 0.025 cubic feet of water per second from an unnamed stream for domestic use for one family and irrigation of 1.5 acres has been filed as No. 57594. Also received were your map and fees of \$45.00.

A legal description of the property where the water is to be used is needed to verify the place of use. This can be copied from your deed, title insurance policy or sales contract.

Upon receipt of the proper legal description, your application will be in proper form for the issuance of a permit.

Sincerely,

Ralph H. Jackson
Water Rights Engineer
