Dear Mr. Gilfillan:--

With reference to your application #19498 before the Oregon State Engineer and for the issuance of which it is necessary that you obtain the written consent of the owner of the land on which is the origin of the water you seek, as attorney-in-fact for Joseph L. Werner this is to confirm that consent to you to take water from a spring which is described as being at a point 850' north and 1300' east of the southwest corner of Section 12 in Township 8 South, Range 11 West, W.M. -- but this consent is limited to a period of time terminating on December 31, 1949, that date being likewise the date of termination of your lease to occupy land of Joseph L. Werner near the spring above described.

Respectfully,
