Mr. Karl W. Farnsworth,
Water Master, District No. 4,
Enterprise, Oregon.

Dear Sir:

I am enclosing a final proof under Permit No. 7362 which has been executed by C. C. Brown, Clerk of the State Land Board. I was more or less familiar with this land and we have a statement from Sid Burleigh, Attorney for the Board that ~~one~~ water has been used from the new Alder Slope Ditch.

You are requested to make an inspection if one is necessary in order to check the number of acres below the ditch having been irrigated and to attach your report to the proof. The $1.00 fee for recording the water right certificate will be collected from the State Land Board here.

Yours very truly,

RHEA LUPER,
State Engineer.

Dear Sir:

In Re: F-543 Jas. J. Mackan

Water upon this place has been applied and the place has been under irrigation for the past two years. There has been nothing much to irrigate, except thistles, but this should not affect the water right as the ditches are all completed and the water applied to the land.

Yours very truly,

Sylvester H. Burleigh
