Dear Mr. Duzan:

This will acknowledge receipt of Form C, being notice of the complete application of water under your permit No. 17561.

Pursuant to your report and in line with the general practice of this office, a survey will be made at a later date for the purpose of checking the amount of water used as described in the permit. After this survey, proof may be made by you and certificate issued covering the actual use of water as found by the engineer.

In the meantime, the permit which you hold will be valid evidence of your water right.
