The Departments records will now show Matthew Keegan as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt number 147983 covering the recording fee is also enclosed.

Please note that this permit requires complete application of water to the proposed use by October 1, 2028, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE).

Sincerely,
