TO: **Legal Owner and Occupant, Baker County, Oregon tax lot 200, map 08S4612:** Granite View Holdings, LLC, 115262 SW 175th Ave, Beaverton, OR 97007

Summary: Pursuant to the provisions of Oregon Revised Statutes (ORS) 183.415 and ORS 540.631, you are hereby notified as the legal owner and/or occupant of certain real property in Sections 12 and 13, Township 8 South, Range 46 East, Willamette Meridian, Baker County, Oregon, of the proposed cancellation of a portion of the irrigation water right evidenced by Certificate 7058, in the name of Dry Creek Ditch Company, and of your right to file a protest and receive a contested case hearing on the proposed cancellations.

A. Jurisdiction and Authority

ORS 540.631 and 540.641 grant the Oregon Water Resources Commission (Commission) jurisdiction and authority to issue notices of proposed cancelation of perfected water rights, hold hearings on protests of such notices, and issue orders canceling perfected water rights that have been forfeited by nonuse. The Commission has delegated its authority with respect to cancellation of perfected water rights to the Oregon Water Resources Department (Department). OAR chapter 690, division 17.

B. Applicable Law

Oregon water law provides that if any portion of a water right undergoes five or more successive years of nonuse, that nonuse creates a rebuttable presumption of forfeiture. ORS 540.610; ORS 540.631.

A presumption of forfeiture may be rebutted by evidence submitted in a protest and by evidence you may submit in a contested case hearing. ORS 540.610(2); OAR 690-017-0600 and -0800. Water rights are also exempt from forfeiture under certain circumstances outlined in ORS 540.610(3), 540.610(4), and 540.612.

Other applicable law includes ORS 540.610 through ORS 540.670, OAR chapter 690 division 17 (governing water right cancellation), OAR 690-320-0070(1) (requiring proposed cancellation of supplemental irrigation water rights where the Department proposes cancellation of primary irrigation water rights for the same lands), ORS Chapter 183 and OAR 137-003-0501 through -0700 (governing contested case hearings) and OAR 690-002-0000 through -0235 (governing protests, hearings, and exceptions).

Conclusion of Law

1. The information before the Department creates a rebuttable presumption that the portion of Certificate 7058 proposed to be cancelled has been forfeited by nonuse. ORS 540.631; OAR 690-017-0400.
2. Based on the information currently before the Department, it does not appear that the presumption of forfeiture would be rebutted under ORS 540.610(2) or that the water right proposed to be cancelled is exempt from forfeiture under ORS 540.610(3), 540.610(4), or 540.612.

Proposed Cancellation

The Department proposes to issue an order cancelling the portion of Certificate 7058 described above.

Pursuant to ORS 536.077(4) and (5), ORS 540.641(2), OAR 690-017-0600(1) and OAR 690-002-0235(4), if no protest of this Notice of Proposed Cancellation is received by November 18, 2026, and the Department does not withdraw this Notice of Proposed Cancellation on or before December 21, 2026, this Notice of Proposed Cancellation is a final order without any further action by the Department on December 21, 2026.

D. Notice of Right to Request a Contested Case Hearing by Protesting the Proposed Cancellation and Right to File a Request for Party Status

The following sections explain how to: (1) file a protest in opposition to this Notice of Proposed Cancellation to request a contested case hearing on this Notice of Proposed Cancellation; and (2) file a request for party status to request to participate in any contested case proceeding in support of this Notice of Proposed Cancellation.

Protests

Under the provisions of ORS 540.641(2), ORS 536.077(1) and OAR 690-017-0600, as the owner or occupant of land to which the water rights proposed to be cancelled are appurtenant, you have the right to a contested case hearing on the matters asserted in this Notice of Proposed Cancellation. To request a contested case hearing, you must file a written protest setting forth the reasons why the water right specified in this Notice should not be cancelled.

The information before the Department, if not countered by other evidence, establishes at least five successive years of nonuse of the water rights proposed to be cancelled. In your protest and at a hearing you may attempt to show either that water use has occurred during the asserted period of nonuse or that one or more statutorily established reasons excusing nonuse stated in ORS 540.610(2) and further defined in OAR 690-017-0800 or an exemption from forfeiture stated in ORS 540.610(3), 540.610(4), or 540.612 apply.

Protests and protest fees may be mailed or hand delivered to the Oregon Water Resources Department at 725 Summer Street NE, Suite A, Salem, OR 97301. If you submit a protest by U.S. mail, please consider mailing early to ensure the Department receives the protest by the deadline. Protests may be emailed to will.d.davidson@water.oregon.gov, but payment of Protest fees cannot be accepted electronically and must be received by the Department by mail or hand delivery prior to the deadline. Protests and protest fees must be received by the Water Resources Department no later than November 18, 2026.

Protests must meet the following requirements:

- Be in writing;
- Include the protestant's name, address, telephone number, and email address, if the protestant has an email address;
- Include the name, address, telephone number, and email address of the protestant's attorney, if the protestant is represented by an attorney;
- Include a description of the protestant's interest in the Notice of Proposed Cancellation, and, if the protestant claims to represent the public interest, a precise statement of the public interest represented;
- Include a detailed description of how the action proposed in the Notice of Proposed Cancellation would impair or be detrimental to the protestant's interest and/or the claimed public interest;
- Identify which of the Notice of Proposed Cancellation's recommended findings of fact and/or conclusions of law the protestant objects to;
- Include a written statement citing the reasons the protestant believes the water right has not been forfeited by nonuse;
- Where the protestant intends to rebut the presumption of forfeiture by claiming one or more of the grounds for rebuttal established in ORS 540.610(2) and further defined in OAR 690-017-0800, or an exemption from forfeiture established by ORS 540.610(3), 540.610(4) or 540.612, include a statement of the grounds claimed for rebuttal or exemption and appropriate supporting documentation;

- Where applicable, include documentary evidence in support of the rebuttal as described in OAR 690-017-0800(3);
- Raise all reasonably ascertainable issues and include all reasonable available arguments that support the protestant's position;
- Include any citation of legal authority to support the protest, if known;
- Explain how the issues raised in the protest are within the Department's jurisdiction; and
- Include a protest fee of \$1,425 required by ORS 536.077(1)(c)(G) and 536.050.

If you file a protest and the Department determines the presumption of forfeiture has not been rebutted or an exemption from forfeiture has not been established, the Department will provide a contested case hearing on the proposed cancellation at an appropriate time. You will be notified of the time and place of the hearing. You will also be given information on the procedures, right of representation and other rights of parties relating to the conduct of the hearing.

Requests for Party Status

Under the provisions of ORS 540.641(2), ORS 536.077(2) and OAR 690-017-0600, if this Notice of Proposed Cancellation is protested, any person who supports this Notice of Proposed Cancellation may file a request for party status to request to participate in any contested case proceeding on this Notice of Proposed Cancellation or for judicial review of a final order resulting from this Notice of Proposed Cancellation. The individuals who filed the affidavits asserting nonuse upon which this Notice of Proposed Cancellation is based will be parties to any contested case proceeding on this Notice of Proposed Cancellation without the need to file requests for party status. Requests for party status and request for party status fees may be mailed or hand delivered to the Oregon Water Resources Department at 725 Summer Street NE, Suite A, Salem, OR 97301. If you submit a request for party status by U.S. mail, please consider mailing early to ensure the Department receives the request by the deadline. Requests for party status may be emailed to will.d.davidson@water.oregon.gov, but payment of request for party status fees cannot be accepted electronically and must be received by the Department by mail or hand delivery prior to the deadline. Requests for party status and request for party status fees must be received by the Water Resources Department no later than December 18, 2026.

Requests for party status must be in writing and include the following:

- Names, addresses, and email addresses (if any) of the requestor and any organization the requestor represents;
- Name, address, and email address of the requestor's attorney, if any;

- A statement of whether the request is for participation as a party or a limited party, and, if as a limited party, the precise area or areas in which participation is sought;
- If the requester seeks to protect a personal interest in the outcome of any contested case hearing on the Notice of Proposed Cancellation, a detailed statement of the requester's interest, economic or otherwise, and how such interest may be affected by the results of the hearing;
- If the requester seeks to represent a public interest in the results of any contested case hearing on the Notice of Proposed Cancellation, a detailed statement of such public interest, the manner in which such public interest will be affected by the results of the hearing, and the requester's qualifications to represent such public interest;
- A statement of the reasons why existing parties to the proceeding cannot adequately represent the private and/or public interest(s) the requester seeks to represent; and
- The request for party status fee of \$1,425 required by ORS 536.077(2)(b)(C) and ORS 536.050.

After the deadline for requests for party status, the Department will provide copies of any timely requests for party status, accept responses to requests for party status, and consider and rule on timely requests for party status as provided in OAR 690-002-0225.

E. Additional Notices

Notice of Right to Request Voluntary Cancellation: Holders of a water right *may also voluntarily relinquish* their water right by filing a notarized authorization to cancel with the Water Resources Department. You should contact the Department or your local watermaster for the proper Affidavit of Voluntary Cancellation or Diminution of a Water Right Certificate form.

Notice of the Circumstances under which this Notice of Proposed Cancellation Will Become a Final Order: If no protest of this Notice of Proposed Cancellation is timely received and the Department does not withdraw this Notice of Proposed Cancellation for reconsideration within 33 days after the close of the period for submitting a protest, this Notice of Proposed Cancellation will become a final order on the date that is 33 days after the close of the period for submitting a protest, with no further action required by the Department. If a protest or protests are timely received, but later: (1) all timely-filed protests are withdrawn and the withdrawals are not based on a settlement agreement requiring changes to this Notice of Proposed Cancellation; (2) all protestants fail to appear at a scheduled hearing; or (3) all protestants notify the Department or the administrative law judge that the protestants will not appear at a scheduled hearing, the protestants will have waived any right to a hearing, and the Department or the administrative law judge will issue an order dismissing the protests and
