The assignment by proof from National Golf Operating Partnership L.P. to Oregon CC LLC has been recorded in the records of the Water Resources Department.

The Departments records will now show Oregon CC LLC as the permit holder of record.

Our records have been changed accordingly and the original request is enclosed. Receipt numbers 148189 and 148203 covering the recording fee is also enclosed.

A permit is not a perfected water right and has conditions and timelines that must be satisfied prior to a Certificate of Water Right being issued. Please review the permit to be familiar with the conditions and timelines contained in the permit.

Please note that this permit required complete application of water to the proposed use by October 1, 2004, and within one year after complete application of water to the proposed use, the permittee shall submit a claim of beneficial use, which includes a map and report, prepared by a Certified Water Rights Examiner (CWRE). As of this date, the claim of beneficial use has not been received by the Department.

Sincerely,

Mary F. Bjork  
Water Rights Program Analyst
