For Local Government Use Only

The following section must be completed by a planning official from each county and city listed unless the project will be located entirely within the city limits. In that case, only the city planning agency must complete this form.

This deals only with the local land-use plan. Do not include approval for activities such as building or grading permits.

Please check the appropriate box below and provide the requested information

Land uses to be served by proposed water uses (including proposed construction) are allowed outright or are not regulated by your comprehensive plan. Cite applicable ordinance number(s): 38.0232(A)

Land uses to be served by proposed water uses (including proposed construction) involve discretionary land-use approvals as listed in the table below. (Please attach documentation of applicable land-use approvals which have already been obtained. Record of Action/land-use decision and accompanying findings are sufficient.) If approvals have been obtained but all appeal periods have not ended, check "Being pursued".

Table with 3 columns: Type of Land-Use Approval Needed, Cite Most Stringent Applicable Plan, and Land-Use Approval. The table contains multiple rows for different land-use categories with checkboxes for 'Obtained', 'Denied', 'Being pursued', and 'Not being pursued'.

Local governments are invited to express special land-use concerns or make recommendations to the Water Resources Department regarding this proposed use of water below, or on a separate sheet.

No new landuses proposed. LUCS is for water use to support existing landuses: Multnomah Falls, Benson State Park & Wahkema Falls Parks Picnic Area.
