Reference: Application S-69503, Permit S-52513

Dear Robert E. and Nanette A. Streiff:

On March 31, 2005, an assignment of water right application S-85743, Permit S-54094, from William and Joan Sloan to you was recorded. Recent correspondence with the William and Joan Sloan indicates that the above referenced water right should also have been assigned to you.

Therefore, an administrative correction to assign Application S-69503, Permit S-52513 from William and Joan Sloan to Robert E. and Nanette A. Streiff, has been recorded, and our records have been changed accordingly.

Application S-85743, permit S-54094 is for the irrigation of 0.5 acres using stored water from Lost Creek Reservoir. Application S-69503, Permit S-53513 is for the domestic use of the household, and the source of water is Pickett Creek. Both of these rights are needed to have the use of water for domestic use and irrigation. Recently a copy of correspondence to the Sloans, from this Department regarding these rights was sent to you. I look forward to hearing from you about resolving some issues with this water right. I can be reached at the address above or by telephone at 503-986-0817.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
