The partial assignments from Del Rio Vineyards, LLC to Sacramento Valley Farm Credit, FLCA, and Sacramento Valley Farm Credit, PCA, has been recorded in the records of the Water Resources Department.

Our records have been changed accordingly and the original request is enclosed. Receipt number 90126 covering the recording fee of \$100 for both assignments is also enclosed.

I would be remiss if I did not bring to your attention that a Claim of Beneficial Use including a map and report, or an extension of time request was due for this right by October 1, 2005. As of this date, neither has been received by this Department.

Should you have any questions, please do not hesitate to contact me at the address above, or by telephone at 503-986-0817.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
