Re: Land Use Information Form  
Map 171100004304

I have reviewed the above noted Land Use Information Form requesting; (1) establishment of an irrigation pond for alfalfa fields & home site; (2) creation of a wildlife habitat area; (3) recreation; (4) livestock watering source; (5) environment for established aquatic life; and (5) water source for fire protection, all of which, are typically outright permitted uses identified under farm use, forest management and natural resource enhancement.

I have signed and enclosed the Land Use Information Form for your use and records.

If you have any further questions or need additional information, please contact me.

Sincerely,

Chris B. Bedsaul
