Reference: Application G-15054, Permit G-13834

The assignment by deed from Robert M. Dorr, Gail Dorr and Thelma A. Wyers to Mark S. Devos, has been recorded in the records of the Water Resources Department.

Our records have been changed accordingly and the original request is enclosed. Receipt number 80190 covering the recording fee of \$35.00 is also enclosed.

I would be remiss if I did not bring to your attention that this permit is overdue for the submission of a Claim of Beneficial Use and Final Proof Survey performed by a Certified Water Rights Examiner. These were due by October 1, 2005. Failure to provide these items places this right at the risk for cancellation proceedings.

Sincerely,

Jerry Sauter  
Water Rights Program Analyst
