Reference: Application S-80803, Permit S-52692
Application R-80804, Permit R-11955

The assignment from Joel Neuschwander to Joel Neuschwander and Northwest Farm Credit Services, FLCA has been recorded in the records of the Water Resources Department.

Our records have been changed accordingly and the original request is enclosed. Receipt number 91642 covering the recording fee of \$50 is also enclosed.

I would be remiss if I did not bring to your attention that both of these permits are overdue for the submission of a Claim of Beneficial Use and map prepared by a Certified Water Rights Examiner. The Department did receive notice of complete application of water in 1999. Failure to provide this Claim, places these permits at risk of cancellation proceedings being initiated.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
