**Application History**

The Department issued Permit G-15067 on May 24, 2002. The permit called for complete application of water to beneficial use by October 1, 2006. On December 11, 2007, Albert Garre submitted to the Department an Application for Extension of Time for Permit G-15067. In accordance with OAR 690-315-0050(2), on January 22, 2008, the Department issued a Proposed Final Order proposing to extend the time to fully apply water to beneficial use to October 1, 2010. The protest period closed March 7, 2008, in accordance with OAR 690-315-0060(1). No protest was filed.

At time of issuance of the Proposed Final Order the Department concluded that, based on the factors demonstrated by the applicant, the permit may be extended subject to no additional conditions.

The applicant has demonstrated good cause for the permit extension pursuant to ORS 537.630, 539.010(5) and OAR 690-315-0040(2).
