The assignment by deed from James and Rita D. Roth to Ivan Lund, has been recorded in the records of the Water Resources Department.

Due to the age of these rights, I would be remiss if I did not advise you to contact the local Watermaster to help determine the extent of previous use and the validity of these rights. The Watermaster for this area is Larry Menteer. Mr. Menteer is located our Medford office, and may be reached at 541-774-6880. Mr. Menteer would be able to help you identify the options available in regards to these rights.

Our records have been changed accordingly and the original request is enclosed. Receipt number 81634 covering the recording fee of \$35.00 is also enclosed.

Sincerely,

Jerry Sauter
Water Rights Program Analyst
